

# NEONICA GROWY LED TOP 240

## Specification

Power consumption	240 W
Light output	640 $\mu\text{mol/s}$
LED qty	200
LED manufacturer	OSRAM
Power	90 - 240 V AC
Power factor	0.99
LED board	MCPCB
Housing material	Anodized aluminium
Cover material	PMMA
IP rating	IP67
Fixture weight	3.8 kg
Dimensions (without mounting)	1235 x 106 x 53 mm

## Main features

- Universal spectrum,
- energy-efficient,
- no heat emission,
- high quality, carefully selected OSRAM LED chips,
- solid, anodized aluminium housing - excellent gravity heat dissipator,
- easy to clean housing,
- modern design and easy to fix mounting brackets,
- **designed and manufactured in Poland,**
- Small- and large-area cultivation and growbox purpose
