

# NEONICA GROWY LED TOP 320

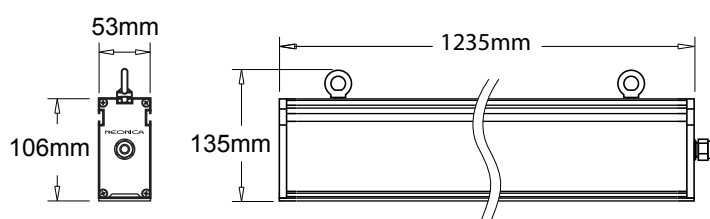

## Specification

Power consumption	320 W
Light output	780 $\mu\text{mol/s}$
LED qty	200
LED manufacturer	OSRAM
Power	90 - 240 V AC
Power factor	0.99
LED board	MCPCB
Housing material	Anodized aluminium
Cover material	PMMA
IP rating	IP67
Fixture weight	2.97 kg
Power supply weight	1.83 kg
Dimensions (without mounting)	1235 x 106 x 53 mm

## Main features

- Universal spectrum,
- energy-efficient,
- no heat emission,
- high quality, carefully selected OSRAM LED chips,
- power supply outside of housing,
- solid, anodized aluminium housing - excellent gravity heat dissipaton,
- easy to clean housing,
- modern design and easy to fix mounting brackets,
- **designed and manufactured in Poland,**
- Home gardening and growbox purpose
